Sublimae Wedding Package assistance

HOW WE WORK

You will always be able to count on me as a personalized planner.

Every single event is always followed by me + a supervisor.

This guarantees you a constant attention and willingness on our part to plan your wedding at any time, leaving nothing to chance.

You can always contact us by email, on Skype or over the phone.

WEDDING PACKAGE

Planning a wedding is a very special moment, which requires attention, sensitivity and enthusiasm!
Our proposals are designed to guarantee the highest level of services.
We will take care of every aspect of marriage, from travel to the needs of your guests.
Our services always include all our assistance from now until the day of the wedding.

We will have a constant contact (via email, phone and in person) to organize all the other services (transport, hotels, catering, flowers and decorations, music, photography , etc...). We can customize everything 100%.

- Personal wedding planner to help you organizing the event and assistance during any fundamental meeting for your wedding;
- Project planning and vision matching criteria;
- Wedding budget planning and payment/invoice coordination;
- Site inspection;
- Assistance to plan the Welcome dinner and the possible brunch on the day after the wedding;
- Assistance in selecting and booking EVERY KIND of SERVICE you will require from a range of professional wedding providers selected among your vision and budget: reception, hotels, flowers, beauty (hairdresser and make up), music, transportation (for you and your guests before the Wedding day, on the day and after the Wedding day), excursions and activities for you and your guests;
- Unlimited email and phone assistance;
- Liaison with the venue and caterer for setting up and planning menu;
- Complete assistance with accommodation for the bride and groom, as well as guests;
- Creation of an **action plan** for all the months before the wedding that keeps you updated regarding the process of the planning;
- Wedding day program (minute by minute) with list of all vendors and useful telephone numbers;
- Wedding planner throughout the wedding day: full day assistance and coordination on the wedding day;
- Flexible working hours to accomodate the needs of the bride and groom (week ends and late evenings) and costance assistance with any possible not listed above requirements.
